---

Enthusiastic, positive, organised Game Designer and Developer whose projects aim to push modern ideas and impact others. Proficient in Unity and multiple programming languages with substantial knowledge in Adobe Creative Suite for asset creation. Looking for a part-time job as I continue my studies.

---

## Education

### MSC COMPUTER GAMES DESIGN, UNIVERSITY OF PORTSMOUTH

Portsmouth, England

SEPTEMBER 2026 – JULY 2027

- Studying game design with a specific emphasis on mechanics programming.

### B.A. INTERACTIVE MEDIA: TECHNOLOGY, COMPUTER SCIENCE MINOR, NORTH CENTRAL COLLEGE

Naperville, Illinois, USA

August 2022 – May 2026

- Graduated *summa cum laude* with a degree focusing on a blend of graphic design principles and computer programming logic. Personal focus was on how these concepts came together to create games.
- GPA 3.9

### STUDY ABROAD, CANTERBURY CHRIST CHURCH UNIVERSITY

Canterbury, England

SEPTEMBER 2024 – MAY 2025

- Explored game design with an emphasis on cultural awareness through creating culturally influenced games as well as working with other international students

---

## Relevant Experience

### GAME DEVELOPMENT INTERN

Nexus Games, Atlas Arena | Remote

June 2026 – August 2026

- Parsed and modified existing game code to create new experiences and updated visuals that retained core values.
- Collaborated with a team to create and effectively deliver a spin-off game.
- View demo: <https://www.behance.net/gallery/254151847/Froggy-Breeze>

### GAME MASTER AND PLAYER, VOLUNTEER

Dungeons and Dragons | Remote, Naperville Illinois, and Canterbury England

June 2026 – August 2026

---

- 
- Designed plots, characters, mechanics and other creative elements that fit within the existing database.
  - Collaborated with players to create a comprehensive, compelling story with developed characters able to span a significant amount of time.
- 

## PROJECTS

### THE ARCHIVIST

December 2025 – August 2026

- Current demo: <https://www.behance.net/gallery/244376305/The-Archivist-v01>
  - A fantasy academia 2D pixel-art platformer game for PC created with Unity.
  - In 'The Archivist', you follow Alistair to explore the archive labyrinth, solve puzzles, battle magical creatures, and discover what truly goes on beneath the University of Magical and Mundane Artistry.
- 

## OTHER EXPERIENCE

### BOOKSELLER, KEY HOLDER

Anderson's Bookshop | Downers Grove, Illinois and Naperville, Illinois

February 2023 – September 2026

- Interacted with a diverse range of customer service queries.
- Organised shelving system for various sections in kids and adults to improve store organisation and customer experience.
- Created engaging and visually pleasing displays meant to highlight more obscure titles and increase sales.

### GRAPHIC DESIGNER, FREELANCE

North Central College Design Agency | Naperville, Illinois

September 2025 – December 2025

- Designed postcards for Fox Valley Hands of Hope to attract more volunteers.
- Created postcard design featured at World Postcard Day event.
- Produced t-shirt design for the North Central College Coffee Lab and ACCA's 60th anniversary conference.

### EXHIBITIONS WORK STUDY

Arcadia University | Glenside, Pennsylvania

September 2022 – December 2022

- Updated website through a transfer of website host.
  - Created engaging promotional material for upcoming exhibitions.
  - Negotiated with artists to keep within budget, time, and spatial constraints.
-
